 **Pilgrimage Educational Resources**
Experience learning exponentially.

PO Box 538, Factoryville, PA 18419 Ph: 570.504.7619 EM: info@ImmersedLearning.com

THE PROGRAM

Your camp partnered with Pilgrimage Educational Resources (PER) and Baptist Bible College (Clarks Summit, PA) to offer up to 6 credit hours of accredited undergraduate credits in the form of two experience-based courses built for summer camp counselors. Both courses are designed to use your experience at camp this summer along with weekly journaling and some online assignments to both learn and practice a higher level of personal ministry at camp.

THE COURSES (UP TO 6 CREDITS!)

Counseling in Active Learning Environments (3 credits)

This course is designed to help students understand principles and acquire competencies necessary to move participants towards growth in the context of short-term impact ministry environments such as retreats, resident camps, mission trips, and wilderness trips. Key subjects include group dynamics, relationship building, camper discipline, facilitation, framing, debriefing, processing, and Bible study.

Learning Activities, Games & Events (3 credits)

Students will be introduced to skills and competencies necessary for planning and leading learning activities that have a purpose. Students will learn how to “Introduce Truth, Illustrate Truth, or Illuminate a Lack of Truth” through the use of and modification of known activities or by introducing new activities, games, and initiatives.

THE CREDIT

Baptist Bible College is fully accredited by the Commission on Higher Education of the Middlestates Association of Colleges and Schools. That means these courses **WILL transfer to any college or university in the US**. It will be up to you to determine with your school whether the credits will transfer into your degree program or as general electives. In many cases, these credits meet internship requirements that are required in your degree program.

THE COST

Tuition is **\$275 per credit hour**. PER will pay the \$10 application fee for you. With tuition rates at many schools in the \$400-\$550 range, you save up to 50%! **There are no books to buy either.**

HOW DO I ENROLL?

The enrollment process is entirely online! Here's what you do:

1. Go to www.ImmersedLearning.com.
2. Click on the “**Summer Counselor Program—Student Info**” link. This will take you to an information page with the same info you see on this flier.
3. Click on the “**Apply Now**” icon in the right column.
4. Fill out the application and submit it. That's it.

Baptist Bible College also requires a **Pastor Reference** for admission. We will email a link to the online form to the pastor you named on your enrollment application. As soon as we receive that form, we will submit your application to BBC for admission. As soon as you are approved for admission, PER will enroll you in the course(s) you selected on your application.

IS THIS GOING TO BE A LOT OF WORK?

Both courses are designed to **INTEGRATE** experience with education. The technical term is blended education. They should be relatively lightweight in that your primary learning will come from within experiences you will already be immersed in as a camp counselor. The online portion of the class is designed specifically to enhance what you are learning by causing you to reflect on and articulate the challenges and joys of your growth process this summer.

HOW DO I TRANSFER THE CREDIT?

Once you complete the course requirements, PER will submit your grade(s) to BBC. Then you request a transcript to transfer the course credit to your school of choice. The appropriate form can be downloaded from the PER website. You can fax or mail the form to the BBC Registrar's Office.

WHO IS PER?

Good question. Pilgrimage Educational Resources designs experience-based courses and degree programs for colleges and universities. What does that mean? We specialize in using real experiences in real ministry environments as the basis for ministry education. PER also partners with progressive schools and learning sites (like camps) to make that happen.
